COMPANY INTRODUCTION

COMPANY PROFILE

Superdrain B.M. is the leading manufacture in China specialized in Wedge Wire grate. You can customise the measure you need. And got them to be made to measure. Our wedge wire grate has 3 styles(3mm/5mm/8mm width V wire).

Based on the wedge wire, Superdrain B.M. have developed series of products for drainage under Brand “Suditek”, including slimline grate, tile/marble inserted floor drain, grate trench and so on. They are widely used in bathroom, kitchen, swimming pool, wet area in super-mall, floor mat for the entrance.

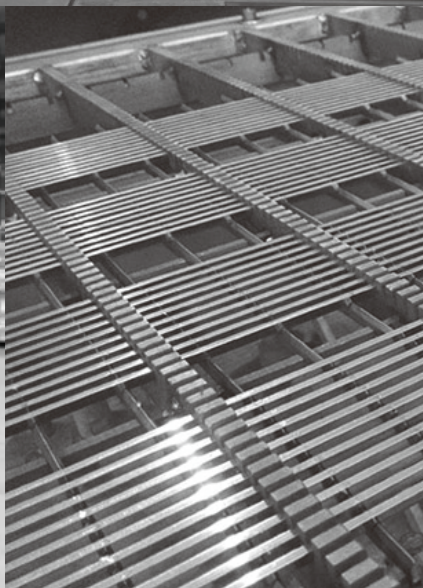

Our new models offer super design and their new features give them distinct advantages over similar products from other manufacturers. Our manufacture conforms to ISO9001:2008 & ISO14001 : 2004 Quality Management Systems. Raw material is tested by SGS and Finished products have got WaterMark and CE Approval .

Our goal in mind is to provide you Innovative Drainage Solutions and quality products.
