PRODUCT DATASHEET

SS Slot Cover for Drainage Channels | 1/2/3 Slot Options

Commercial Drainage / Grates & Frame

Model: SS Slot Cover

DESCRIPTION

The SS slot cover is a stainless steel grate designed to fit over SS trench, HDPE drainage channel or polymer concrete canal systems. Choose 1, 2 or 3 slots and set the slot position to the middle or the side to match your drainage layout. Ideal for squares, balconies and courtyards where a clean, low-profile surface drainage finish is required.
