PRODUCT DATASHEET

Premium Dia 215mm Round Stainless Steel Floor Drain | Vertical Outlet L15 High-Flow

Residential Drainage / Square Floor Waste

Model: TWS150

DESCRIPTION

Elevate your residential drainage with our heavy-duty Dia 215mm Round Floor Drain. Crafted from 100% recyclable 304 stainless steel (EN 1.4301), it features a vertical 50mm outlet and a superior 50mm water seal. Designed for flexible waterproofing with a safety flange rosette, this L15 load-class drain delivers a powerful 0.76 L/s flow rate. Micro-blasted finish for a premium minimalist aesthetic.
